

Bravo X

Using BRAVO X is a unique experience; designed for the person that is looking for a professional headset with high Audio quality. With the Bravo X headset you will be able to spend hours listening to your favorite playlists or on those endless work calls, but always with extreme comfort and with the award-winning design of the X Line.

Much more Technology

Latest generation chipset, embedded with ai technology firmware, for plug and play connection with felitron's artificial intelligence tools, noise-cancelling microphones, 60 mm diameter auriculars and reduction of passive noise for an immersive sound experience. Designed fo you to make calls and listen to your music in the office, in your home-office or wherever you desire.

Much more Comfort

Super-soft leather ear cushions with soundproofing are ideal for work environments, ergonomic design and adaptive lateral support, built with exclusive double-injection engineering polymer technology, all to provide maximum comfort for long journeys.
