

## Epko X BT

The Epko X BT is a premium Stereo headset with the last generation 5.0 Bluetooth designed for professional use in calls and videos, but without abandoning Super Bass and HD Audio so that you may listen to your favorite music and even play games.

## Superior Audio Quality

Through an exclusive system that uses a pair of high-precision microphones, its noise cancelling guarantees more voice quality for those that are listening to you. Auriculars of Ø 58 mm, balanced speakers, and ultra-soft leather ear cushions reduce the noise around you bringing comfort and concentration during intensive usage.

## Easy connection with much more autonomy

With the new 5.0 Bluetooth technology, connection to other devices has become easier, safer, and with more battery life. Participate in calls and conferences in your PC and listen to your favorite playlist in the cellphone. All this without having to worry with batteries: more than 18 hours of music listening, 12 hours of conversation. And the stand-by time is over 240 hour!

## Answer your calls up to 20 meters of distance

With the Qualcomm 5.0 Bluetooth chipset, the most powerful yet developed; you may answer your calls up to 20 meters away from your cell phone. You may also reproduce songs and participate in conferences using a softphone on your PC.
